FOR POTENTIAL

INCIGHT UPDATES: *Independence*

INCIGHT is proud of our Independence programs that encourage individuals to self-advocate, unlock their potential and live an independent life.

INCIGHT'S ENTREPRENEURSHIP PROGRAM

INCIGHT takes individuals who have the ideas, motivation and drive to start

their own organization, but are lacking specific resources. We take those individuals, wrap around them with our experience, connections and resources to help them create independence through entrepreneurship. We strongly encourage our entrepreneurs to lift up those experiencing barriers when they're looking to employ people down the road.

Here's a look at what we've accomplished with our entrepreneurs in 2020.

THE UNDERSTANDING & MITCH BLATT

**THE
UNDERSTANDING**
Magazine

Mitch Blatt, born prematurely with cerebral palsy, exemplifies the message that anyone can contribute to the world and live a life of independence.

This year, Mitch launched a new publication called, *The Understanding, Powered by INCIGHT*. This year was a pilot year for this publication, and we have big plans for 2021.

Stigma and discrimination can lower a person's quality of life, but *The Understanding's* aim is to Push Perspectives in a Positive Direction. In doing so, he's hoping to break barriers and reduce stigma and discrimination, thereby raising the quality of life for stigmatized and marginalized groups.

BLAKE SHELLEY

Blake is a motivational speaker, expert on achieving success through self-reflection, and author of the book *Breaking Chains*. Born with Cerebral Palsy, Blake has struggled with everyday tasks but has learned to never give up and not define himself by his disability.

INCIGHT is partnering with Blake to help him market his book and increase speaking engagements. Like many entrepreneurs, the pandemic has caused Blake to pivot and shift his focus. Keeping with his mission of helping people overcome barriers, Blake is *helping businesses break free from stress with a complete web solution*, through his new company Breaking Chains Media. INCIGHT is assisting with the launch of this company and helping Blake build his digital marketing portfolio.

BREAKING CHAINS

HALL OF FAME

The INCIGHT Hall of Fame is how we define success. INCIGHT honors one or two individuals each year who have benefited from our services and continue to grow towards independence and contribute meaningfully to society. These individuals are change agents for the disability community, are willing to take on new challenges, set examples for other people with disabilities and represent the mission of INCIGHT.

At the end of this year, we met with our Hall of Famers for a virtual "round table" conversation on how we can further our impact in our community. We're excited to run with some of the ideas discussed in 2021!
